

EQUAL PAY FOR EQUAL WORK ACT

POLICY

The General Assembly of Georgia hereby declares that the practice of discriminating on the basis of sex by paying wages to employees of one sex at a lesser rate than the rate paid to employees of the opposite sex for comparable work on jobs which require the same or essentially the same knowledge, skill, effort and responsibility unjustly discriminates against the person receiving the lesser rate:

It is hereby declared to be the policy of the State of Georgia through the exercise of the police power of this State to correct and, as rapidly as possible, to eliminate discriminatory wage practices based on sex.

PROHIBITION OF DISCRIMINATION

No employer having employees subject to any provisions of this section shall discriminate, within any establishment in which such employees are employed, between employees on the basis of sex by paying wages at a rate less than the rate paid to the opposite sex, EXCEPT WHERE SUCH PAYMENT IS MADE PURSUANT TO:

1. A seniority system;
2. A merit system;
3. A system which measures earnings by quantity or quality of production, or
4. A differential based on any other factor other than SEX: Provided, that an employer who is paying a wage rate differential in violation of this subsection shall not, in order to comply with the provisions of this subsection, reduce the wage rate of any employee.

It shall also be unlawful for any person to cause or attempt to cause an employer to discriminate against any employee in violation of the provisions of this Chapter.

It shall be unlawful for any person to discharge or in any other manner discriminate against any employee covered by this Chapter because such employee has made a complaint against the employer or any other person or has instituted or caused to be instituted any proceeding under or related to this Chapter or has testified or is about to testify in any such proceedings. Any person who violates any provision of this Code section shall, upon conviction thereof, be punished by a fine not to exceed \$100.00. (OCGA Section 34-5-3.)

▶ PAID LEAVE ENTITLEMENTS

Generally, employers covered under the Act must provide employees:

Up to two weeks (80 hours, or a part-time employee's two-week equivalent) of paid sick leave based on the higher of their regular rate of pay, or the applicable state or Federal minimum wage, paid at:

- 100% for qualifying reasons #1-3 below, up to \$511 daily and \$5,110 total;

- Up to 12 weeks of paid sick leave and expanded family and medical leave paid at ⅔ for qualifying reason #5 below for up to \$200 daily and \$12,000 total.

A part-time employee is eligible for leave for the number of hours that the employee is normally scheduled to work over that period.

▶ ELIGIBLE EMPLOYEES

In general, employees of private sector employers with fewer than 500 employees, and certain public sector employers, are eligible for up to two weeks of fully or partially paid sick leave for COVID-19 related reasons (see below). *Employees who have been employed for at least 30 days* prior to their leave request may be eligible for up to an additional 10 weeks of partially paid expanded family and medical leave for reason #5 below.

▶ QUALIFYING REASONS FOR LEAVE RELATED TO COVID-19

An employee is entitled to take leave related to COVID-19 if the employee is unable to work, including unable to **telework**, because the employee:

The U.S. Department of Labor's Wage and Hour Division (WHD) has the authority to investigate and enforce compliance with the FFCRA. Employers may not discharge, discipline, or otherwise discriminate against any employee who lawfully takes paid sick leave or expanded family and medical leave under the FFCRA, files a complaint, or institutes a proceeding under or related to this Act. Employers in violation of the provisions of the FFCRA will be subject to penalties and enforcement by WHD.

FEDERAL EMPLOYEE RIGHTS

PAID SICK LEAVE AND EXPANDED FAMILY AND MEDICAL LEAVE UNDER THE FAMILIES FIRST CORONAVIRUS RESPONSE ACT

The **Families First Coronavirus Response Act (FFCRA or Act)** requires the Federal government to provide all of its employees with paid sick leave and, for employees who are covered under Title I of the Family and Medical Leave Act (FMLA), with expanded family and medical leave for specified reasons related to COVID-19. These provisions will apply from April 1, 2020 through December 31, 2020.

► PAID LEAVE ENTITLEMENTS

Generally, the Federal government must provide Federal employees:

Up to two weeks (80 hours, or a part-time employee's two-week equivalent) of paid sick leave based on the higher of their regular rate of pay, or the applicable state or Federal minimum wage, paid at:

- 100% for qualifying reasons #1-3 below, up to \$511 daily and \$5,110 total; and
- ⅔ for qualifying reasons #4 and 6 below, up to \$200 daily and \$2,000 total.

Federal employees including those not covered under Title I of the FMLA can receive either ⅔ of the higher of their regular rate of pay, or the applicable state or Federal minimum wage for the two-week period for qualifying reason #5 below. However, for leave under qualifying reason #5, Federal employees covered under Title I of the FMLA can receive 10 additional weeks of expanded family and medical leave for reason #5 below, up to \$200 daily and \$12,000 total.

A part-time employee is eligible for leave for the number of hours that the employee is normally scheduled to work over that period.

► ELIGIBLE EMPLOYEES

All Federal employees are eligible for up to two weeks of fully or partially paid sick leave for COVID-19 related reasons (see below). *Federal employees who are covered under Title I of the FMLA and have been employed for at least 30 days prior to their leave request are eligible for up to an additional 10 weeks of partially paid expanded family and medical leave for reason #5 below.*

Most federal employees are not covered under Title I of the FMLA and so would not be eligible for partially paid expanded family and medical leave. Please consult with your agency to determine whether you are covered under Title I of the FMLA. The Office of Personnel and Management will issue guidance on this question.

► QUALIFYING REASONS FOR LEAVE RELATED TO COVID-19

A Federal employee is entitled to take leave related to COVID-19 if the employee is unable to work, including unable to **telework**, because the employee:

- | | |
|---|---|
| <ol style="list-style-type: none">1. is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;2. has been advised by a health care provider to self-quarantine related to COVID-19;3. is experiencing COVID-19 symptoms and is seeking a medical diagnosis;4. is caring for an individual subject to an order described in (1) or self-quarantine as described in (2); | <ol style="list-style-type: none">5. is caring for his or her child whose school or place of care is closed (or child care provider is unavailable) due to COVID-19 related reasons; or6. is experiencing any other substantially-similar condition specified by the U.S. Department of Health and Human Services. |
|---|---|

► ENFORCEMENT

The U.S. Department of Labor's Wage and Hour Division (WHD) has the authority to investigate and enforce compliance with the FFCRA for Federal employers covered under Title I of the FMLA. Employers may not discharge, discipline, or otherwise discriminate against any employee who lawfully takes paid sick leave or expanded family and medical leave under the FFCRA, files a complaint, or institutes a proceeding under or related to this Act. Federal employers covered under Title I of the FMLA in violation of the provisions of the FFCRA will be subject to penalties and enforcement by WHD.
