Saving a little more now can make a big difference later. Saving 15% of your income is ideal, but smaller amounts may add up over time, too.

Remember to choose your beneficiaries. You can designate your beneficiaries online, or call Fidelity for help or to request a beneficiary form.

Team Members are eligible to participate in the 401(k) plan on the first of the month following 30 days of completed employment. **You will be auto-enrolled at 5% unless otherwise changed by you.** Team Members must be 21 or older to participate. The Company may make a discretionary match on the first 10% of eligible Team Member contributions. Eligible contributions are defined as contributions made after the Team Members first year of employment.
